BYD

BYD SEAGULL

The new member of the Ocean Series family

BYD Seagull is the smallest and most dynamic member of the Ocean Series, and interprets the strong vitality of the “Ocean Aesthetics” with its sharp shape and dynamic style.

Dazzling Daytime Traffic Lights

The lights of the BYD Seagull feature clean, crisp lines, while its interior shape consists of six inclined fringes of light. Located on both sides of the lighthouses, daytime traffic lights complete the general design.

“Ice Crystal Frost” Design Element

BYD Seagull C Pillar features the “Ice Crystal Frost” design element. Its details of brilliant colors arranged in a matrix of points give people a sensation of infinite imagination.

Ice Crystal LED Tail Lights

Family's Continuous LED Taillights with 3D Ice Crystal Gradient Texture for a Refined Atmosphere.

Ice Crystal Coagulation Frost Wheel

Inspired by the 'Ice Crystal' Cutting Technique, Fusion of Bright Black Contrast for Agile Movement.

“Waveform” instrument panel

As the visual core of the entire instrument panel, the 10.1-inch display has a fair height, which allows the driver to carry out various operations, maintaining the greatest attention possible in the traffic environment.

10.1” Swivel Screen

Its 10.1” rotating floating screen offers an immersive and sophisticated visual experience, complemented by intuitive voice control that simplifies interaction. Split-screen functionality provides convenience, allowing access to multiple information simultaneously.

“Cyberpunk” style air conditioning outlet

The conditioned air outlet of the BYD Seagull has rigid lines and a lively “cyberpunk” tone, which projects a futuristic and fast energy.

Integrated sports seats and exclusive rear seats

The seats are manufactured with high quality materials and have an excellent ergonomic design. The curved surface of the seats is three-dimensional and surrounded by multiple-sided details.

Organize Better

There are numerous storage areas throughout the cabin, including large door pockets, a central covered storage cubby, and a hollowed storage tray beneath the main driver information screen, which could meet your needs for daily travel.

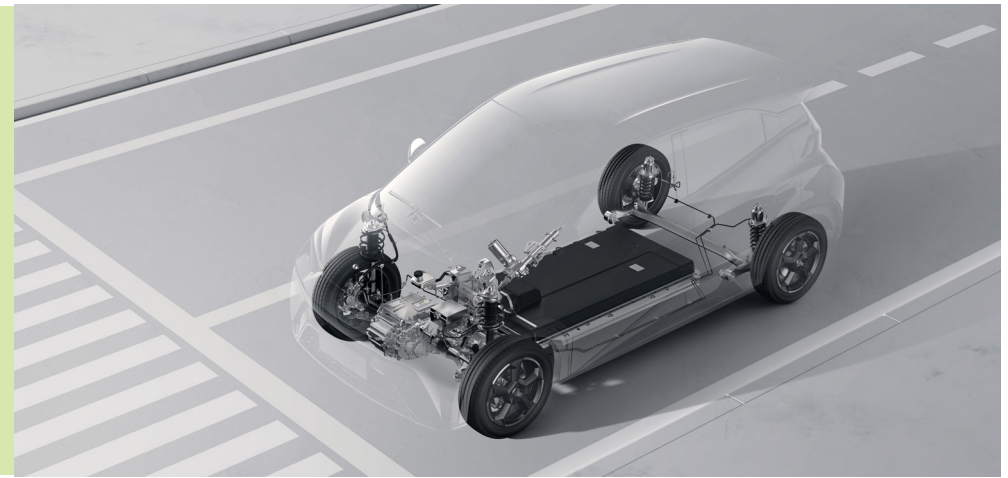

Fit Better

The trunk can easily accommodate two 24 inches suitcases, 930L capacity with seats folded down, fulfilling diverse travel needs.

e-Platform 3.0

The BYD Seagull has a super safe “blade battery” and inherits the safety attributes of the 3.0 electronic platform, providing users with a safe body structure unique to electric vehicles.

Safety and Long-Life Blade Battery

High safety and long life blade battery, Iron(III) phosphate material carve safety into DNA, safety is the biggest luxury of electric vehicles.

Complete Passive Safety Configuration

BYD Seagull comes equipped with a comprehensive passive safety configuration, including 4 standard airbags: driver's, passenger's, front, and rear through side airbags. This setup aims to minimize harm to passengers during collision accidents.

BYD SEAGULL

Dimensions

Overall Length (mm)	3,780
Overall width(mm)	1,715
Overall Height (mm)	1,580
Wheelbase (mm)	,500
Wheel track - front/rear (mm)	1,500
Minium turning radius (mm)	4.95
Ground clearance leden (mm)	120

Powertrain

Motor type	Permenent synchronous motor
Drivetrain	Front - wheel drive
Maximum power (kw)	55
Maxinum torque(N-m)	135

Performance

Accleration 0-50km/h(s)	4.9
Driving range: NEDC (km)	300
Seting capacity	4
Battery capacity (kWh)	30

Chassis

Front suspension	Macpherson Strut
Rear suspension	Torsion Beam
Front brake	Ventilated Disc
Rear brake	Disc
Wheel type	Alloy
Tire size	175/55 R16

New Energy

Power battery temperature control system	Yes
Portable charging cable (mode2)	Yes
AC charging port	GBT
Wall-mountrd charger	7kW
DC charging port	30kW
V2L function-2.2kW	Yes

Exterior

Radio shark fin antenna
Electric unlock tailgate_Manual opening
Driver side Keyless entry / One-click start
Rear window electric heating defogging and defrosting
Manually retractable exterior mirrors
Four door power windows
Driver's window with One click lifting & lowering (with anti pinch)
Electrically heated and adjustable exterior mirrors

Interior

Imiltation leather-Steering wheel mounted control - audio, phone,
ACC and multi-fuction display
Manual 2-way adjustable steering colimn
Driver with makrup mirror visor (with light)
Front passenger with makeup mirror visor (with light)
7" digital instrument panel
Manual dimming interior rear view mirror
Synthetic leather seat
Front pre tensioned force limiting seat belts
4-way manual adjustment - front seat
Centre console storage compartment
File pouch behind the front seat
Rear overall reclined seats
Entertainment
FM radio
*Bluetooth® phone connectivity and audio streaming
10.1" intelligent rotating touch screen
*Apple CarPlay® (USB)
Android Auto™ (wireless)
4 speakers
USB X 2, Centre console
OTA remote upgrade
4G cloud servises

Safety and Security

Front airbags - driver & front passenger
Side curtain airbags - front & rear
Seat belt reminder - front seats only
ISOFIX child reatrainment anchorage points (outer rear seats)
Tire Pressure Minitoring System (TPMS)
Intelligent power braking system, Integrated ABS, EBD, TCS, HHC, HBA, CDP, VDC, AVH, CST, BDW, CRBS, ESP functions
Electronic Stabbility Control (ESC)
Anti-Lock Brake System (ABS)
Hydraulic brake assist system
Traction Control System (TCS)
Electronic Brake Force Distribution (EBD)
Parking brake deceleration control system
Vehicle Dynamic Control System
Ramp Start Control System
Comfort Braking Function
Coordinated Regenerative Braking System
Electric power assisted steering system (C-EPS)
Rear view camera
Rear 3 radars
Auto hold
Cruise Control System(CCS)

Comfort & Convenience

Wireless phone charger
12V socket
Keyless start funtion
Portable card key
Driver's window one touch up-down with anti-pinch
Four-door Electrically Windows
Electric air conditioner
Tire repair kit

Available Colors

Apericity White

Peach Pink

Sprout Green

Polar Night Black
